Folgers®
THE COFFEE CO

“Being able to customize pots to the likings of our employees is great. It’s perfect for our small office!”

Aroma Seal Lid keeps coffee fresh!

CANISTERS

Dig In and Start The Day Off Right

Folgers coffee canisters are sealed for fresh taste and offer easy-to-scoop grounds that allow you to adjust coffee flavor and strength simply by adding more or less grounds—the choice is yours!

FRAC PACKS

Convenience Meets Confidence

Folgers fraction packs make it easy to deliver the coffee employees love.

- Save time and limit contact
- Ground and pre-measured for consistent flavor
- Designed for commercial brewers

“With these pre-measured packets, the coffee is exactly the same pot to pot.”

FILTER PACKS

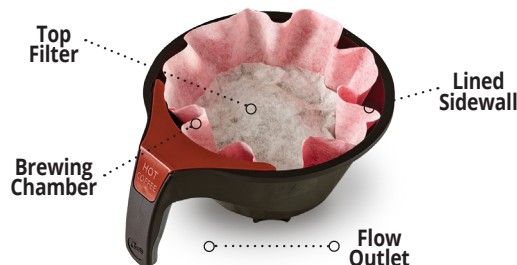

Enjoy Clean, Easy Brewing

Ready-to-brew Folgers filter packs deliver ultimate convenience and consistent quality, pot after flavorful pot. This low-touch, all-in-one product helps offices minimize prep time, waste, and contact.

“There’s no guessing as to how much coffee to put in the filter. No mess clean-up is a breeze.”
